Lorem Ipsum is simply dummy text of the printing and typesetting industry.

Lorem Ipsum has been the industry's standard dummy text ever since the

1500s, when an unknown printer took a galley of type and scrambled it to

make a type specimen book. It has survived not only five centuries,

but also the leap into electronic typesetting, remaining essentially

unchanged. It was popularised in the 1960s with the release of Letraset

sheets containing Lorem Ipsum passages, and more recently with desktop

publishing software like Aldus PageMaker including versions of Lorem

Ipsum.
